30TH September 2024

Dear Parents/Carers,

We are launching our exciting new project to make our playtimes even better, in conjunction with Outdoor Play and Learning (OPAL) CIC. In 2018, OPAL won the best active schools' programme in Europe award and has been cited in two parliamentary reports as delivering outstanding practice. OPAL is working closely with Sport England to promote more active childhoods, which is one of the many reasons we are improving our playtime, as well as to improve opportunities for socialisation, cooperation, coordination, resilience, creativity, imagination and enjoyment for your child.

We strongly believe that: **“Play is freely chosen, personally directed, intrinsically motivated behaviour that actively engages the child. Play can be fun or serious. Through play children explore social, material and imaginary worlds and their relationship with them, elaborating all the while a flexible range of responses to the challenges they encounter. By playing, children learn and develop as individuals, and as members of the community.”** (Children’s Play Council 2001).

The project started In September and our hopes are that it will change the way we think and how we play together. To facilitate this project, we will need to buy some new resources, move some things around on the playground and require some loose parts. Loose parts are any materials that can be easily moved, combined, and incorporated into children's free play. The items we are looking for will enable us to enjoy a wider range of play experiences during playtime (see below for some examples);

- Plastic milk crates/supermarket delivery crates/plastic bread trays
- Road signs and cones

SAND Academies Trust

CEO & Executive Headteacher: Martin Hughes

Registered in England: Company Number 11968610

Registered Office: c/o The Milestone School, Longford Lane, Gloucester, GL2 9EU - Telephone: 01452 874000 – www.sandmat.uk

- Kitchen utensils- spoons, spatulas
- Tools like small spades/shovels, trowels and brooms
- Buckets
- Keyboards/torches/laptops/calculators/mobile phones/desk phones/webcams/cameras that are no longer working
- Fabric (large sheets/brightly coloured fabric)
- Foam sheets/bodyboards/camping roll mats/yoga mats
- Wooden pallets
- Noodles (the type you use in the swimming pool!)
- Dressing up costumes
- Soft toys and dolls
- Big paintbrushes & rollers
- Watering cans
- Pegs (to help to set up dens)

We will be holding a collection week beginning 4th November. The sooner we do this, the sooner the children will be able to play with the items! Please do not bring your donations in before this date as we will have nowhere to store them. If objects are really large, such as wooden pallets, we will ensure that there is someone available to help you carry them into school.

There will be more information to follow at a parent's session later in the year when you will be invited to come and play with your children. We are really excited about this project and hope that you will support us in our efforts to improve playtime for all children.

Yours sincerely,

Katy, Lorraine & Eva
