

# Team Teach Information

 Team Teach helps to keep everyone safe by using de-escalation techniques.

 We always try to calm a situation first by:

 <p>Speaking calmly</p>	 <p>Giving space &amp; time</p>	 <p>Offering choices</p>	 <p>Using distractions</p>
--	--	--	---

 This helps pupils manage their feelings in a safe way

 When is Team Teach Used?

 Team Teach is only used when someone is at risk of harm and

 other strategies have not worked. It follows these rules:

 <p>Using as little force as possible</p>	 <p>Keeping dignity and respect</p>	 <p>Keeping everyone safe</p>
--	--	--

     
Recording what has happened:

       
After Team Teach is used we record what happened. This helps us:

 Keep track of incidents	 Learn how to help pupils better	 Follow school safety rules
--	--	---

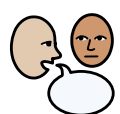

---

  
Keeping Everyone Safe

      
Our staff are trained in Team Teach to make sure it is used safely.

      
We always focus on helping pupils feel safe and supported.
